FOR IMMEDIATE RELEASE

Steve Browning Joins the SunCorp Team as Business Development Officer

(Westminster, Colorado)—— Steve Browning has joined the SunCorp team as a Business Development Officer for credit unions in Southern California.

Formerly with Western Bridge Corporate, Steve brings a wealth of expertise to SunCorp. His experience in the financial services industry spans more than 15 years, during which he has held such positions as Relationship Manager, Senior Investment Advisor and Fixed-Income Specialist. Steve has a BS in Business Management and holds NASD Series 7, Series 24 and Series 63 licenses.

In his role as Business Development Officer, Steve will advise and assist credit unions on SunCorp's correspondent products and investment services.

In launching his new career at SunCorp, Steve explained, "I'm very impressed at the way Tom Graham and his team of professionals skillfully managed SunCorp through all the challenges and obstacles we experienced during the Great Recession, while continuously caring for members and always keeping them informed." He went on to say, "I'm thrilled to be joining such a respectable team and to continue their efforts in delivering the highest cooperative value and service quality to credit unions in the West."

About SunCorp

SunCorp is Systems United Corporate Credit Union, a full-service financial cooperative serving credit unions, Credit Union Service Organizations (CUSOs), and credit union leagues throughout the Western region of the United States. It provides correspondent services, payment services, free lines of credit, and investments delivered with outstanding member service and the benefits of cooperative ownership and pricing.
